**Manifestations of Queerness in Video Games** Gaspard Pelurson, 2022-07-29 Taking the reader on a journey through queer manifestations in games, this book advocates for video games as a rich, political and cultural medium, which provides us with tools to navigate the future of gaming. Situated at the intersection of New Media, Game, Cultural and Queer Studies, the book navigates diverse interspecies relationships, queer villains from the past, Pokémon memes on border politics, flânerie in post-industrial cities and one-sided erotic fights. It provides new critical engagements with the works of Jose Esteban Muñoz, Bonnie Ruberg, Guy Debord and Jack Halberstam, examining queer representation, gaming subcultures and dissident play practices. Making the bold claim that video games might be the queerest medium today, this book provides organic, self-reflective and, ultimately, thought-provoking thinking in which both games and gamers are queered. This book will be of interest to scholars researching game studies, sex, gender and sexuality in new media, but also readers interested in literature, digital media, society, participatory culture and queer studies.

**First Steps: The Modern** Cyrus Lakdawala, 2017-08-01 The Modern Defence is an important opening that can be played by Black against absolutely any White opening system. It is an ambitious, counterattacking weapon, favoured by dynamic players. White is initially allowed to occupy the centre but Black plans to undermine this structure in the middlegame with well-timed blows from the pieces and pawns. If Black gets it right then the white centre can be dramatically swept away. However, when it goes wrong, Black can be overrun. First Steps is a new opening series and is ideal for improving players who want simple and straightforward explanations. First Steps emphasizes: \* the basic principles \* the basic strategies \* the key tricks and traps First Steps books are based around carefully selected instructive games which demonstrate exactly what both sides are trying to achieve. There is enough theory to enable the improving player to get to grips with the opening without feeling overwhelmed. If you want to take up a new opening, First Steps is the ideal place to start.

Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. And now she's going to find out what happened to him, even if it means breaking every rule in the book.

**I Will Survive** Gloria Gaynor,2014-03-11 I Will Survive is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including Honey Bee, I Got You Under My Skin, Never Can Say Goodbye, and the song that has immortalized her, I Will Survive, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.
